Chrysler Rear-Entry

V3

The BraunAbility Chrysler Rear-Entry built on the Chrysler Voyager / Pacifica / Grand Caravan is the culmination of over 50 years experience in wheelchair accessibility in commercial and public transportation. The rear-entry conversion is a passenger-friendly as well as a cost-efficient mobility solution for many commercial transportation providers.

The Chrysler Rear-Entry has multiple seating options available to accommodate passengers and wheelchair users. Depending on the options you select, you'll have the flexibility in seating and wheelchair configurations to meet all your customers' needs.

Safety has always been a top priority at BraunAbility. The Chrysler Rear-Entry has been crash tested and certified to meet or exceed all applicable requirements of the Federal Motor Vehicle Safety Standards (FMVSS) and is backed by our three-year limited warranty.

- **Seating options: Up to 7 passengers*, configurations up to 2 wheelchair positions**
- **Radius floor provides rounded floor for easier transition for wheelchair passenger to front**

Chrysler Rear-Entry Features

V3

BraunAbility Chrysler Rear-Entry built on: ►
2023-2026 Chrysler Voyager LX
2023-2026 Chrysler Pacifica 27W
2023-2026 Chrysler Grand Caravan (Canada)

See back of this guide for vehicle requirements.

- ADA, FMVSS, CMVSS Compliant
- FTA Buy America Compliant Option Available
- Meets or Exceeds Altoona Test Requirements
- CARB Compliant
- ADA Compliant Interlock with Rear Door
- ADA Compliant Ramp & Door Entrance Lighting

◀ Manual Door

ADA-compliant manual rear door with 56" vertical opening.

◀ Lowered Radius Floor

The rear floor is lowered from the rear door to just behind the front seats and provides a choice of two wheelchair positions. The radius floor provides for easier transition for wheelchair passengers over axle.

◀ Manual Folding Ramp

The standard low-angle 34" wide aluminum foldout ramp (1,000 lb capacity) makes it easy to load and unload wheelchair users.

◀ Ramp Latching System ►

This Tier 1 component minimizes metal-on-metal movement and ramp noise.

◀ 2nd Row OEM Remount Flip & Fold Seating ►

The Chrysler Rear-Entry comes standard with 2nd row OEM remounted (quad) flip & fold seats, which when folded up provides for 2 wheelchair positions. See options page for other seating options.

◀ Custom Sculpted Mats

The heavy-duty custom fitted floor mats offer enhanced floor protection and sound deadening benefits.

Q'STRAIT Wheelchair/Occupant Securement System

One standard belt system included.

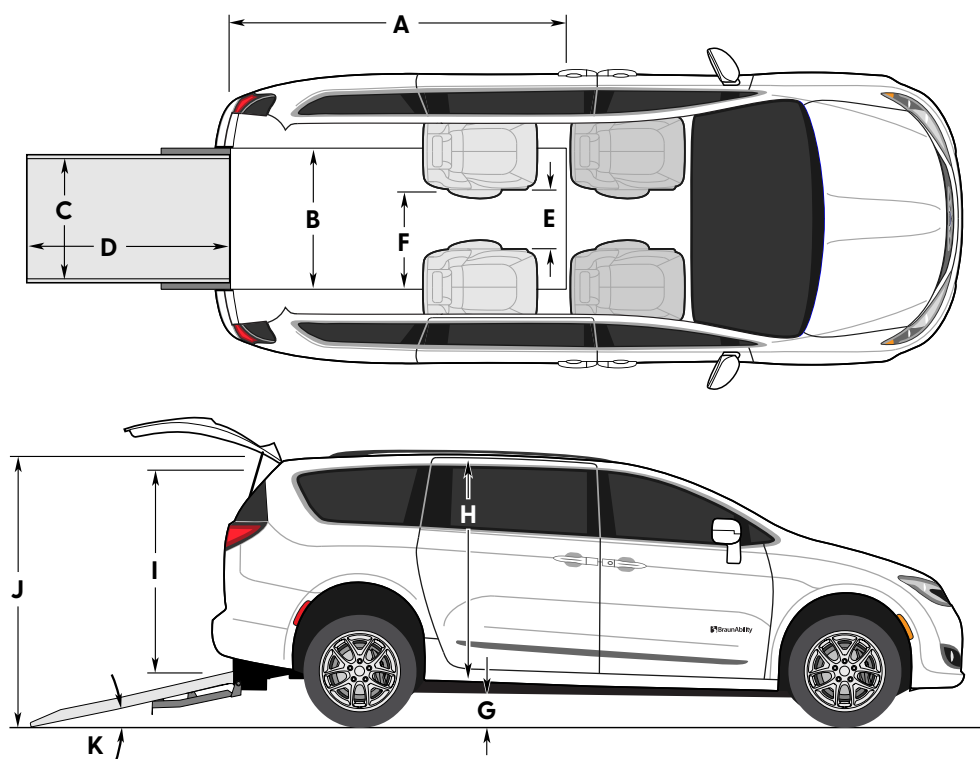

◀ ADA-Compliant Ramp and Door Entrance Lighting

Emergency Rear Hatch Release ►

Chrysler Rear-Entry Dimensions

V3

Ramp Capacity
1,000 lbs.

All dimensions are for reference only.

		Foldout Ramp
Lowered floor length	A	98"
Lowered floor width	B	34.25"
Ramp width (usable clear opening)	C	34"
Ramp length	D	60"
OEM mid-row seats (both unfolded)	E	15.25"
OEM mid-row seats (one folded up)	F	23.5"
Ground clearance at muffler (lowest point - loaded)	G	5"
2nd row wheelchair location interior height	H	56"
Entrance height	I	56"
Overall vehicle height (hatch closed - unloaded)	J	75"
Ramp angle*	K	10°

Due to manufacturing tolerances both with the OEM vehicle and the conversion components, all dimensions may vary slightly from those shown.

* Ramp angle may vary based on chassis trim level and other environmental factors - measured with a 250 lb approximated wheelchair passenger load at the center of the ramp

Before ordering or drop-shipping a vehicle, we strongly recommend contacting BraunAbility® for guidance in deriving payload capacities and selecting equipment and seating options before you purchase the vehicle.

BraunAbility will only convert 2023-2026 Chrysler Voyager LX, 2023-2026 Chrysler Pacifica 27W and 2023-2026 Chrysler Grand Caravan (Canada) with 50,000 or less miles. Customer supplied chassis will incur a \$200 charge. Vehicles must be in sound condition and must never have been involved in an accident. All vehicles are inspected and subject to acceptance/rejection upon arrival at the BraunAbility plant.

BraunAbility Drop Ship Code T7305

Safety has always been a top priority at BraunAbility. The Chrysler Rear-Entry has been crash tested and certified to meet or exceed all applicable requirements of the Federal Motor Vehicle Safety Standards (FMVSS) and is backed by our 3 year/36,000 mile limited and 5 year/unlimited mile rust-through metal protection on every vehicle that leaves the factory. Add to this the original Chrysler warranty for unconverted parts and a nationwide dealer network, and you can rest assured BraunAbility will be there to support you no matter where your travels take you.

Wheelchair securement belts and track are by [Q'STRAIT](#).
